CALLS FOR PROPOSALS

TITLE AND DESCRIPTION OF THE PROGRAMME	DEADLINE
Horizon 2020 - Excellent Science	
"European Researchers' Night" - H2020-MSCA-NIGHT-2018 The European Researchers' Night aims to bring researchers closer to the general public and to increase awareness of research and innovation activities, with a view to supporting the public recognition of researchers, creating an understanding of the impact of researchers' work on citizen's daily life, and encouraging young people to embark on research careers.Funding covers any expenses linked to the organisation of a research outreach event. It can be spent on preparations and publicity, the event itself and assessment of its impact. **Eligible applicants**: Legal entities established in the EU Member states or an Associated Country to the Horizon 2020 programme.	**14/02/2018**

"FET FLAGSHIPS – Tackling Grand Interdisciplinary Science and Technology Challenges" - H2020-FETFLAG-2018-2020 FET Flagships tackle grand Science and Technology challenges expected to result in 'game changing' impacts on economy and society, benefitting European citizens and paving the way for global technological and industrial leadership. Because of their ambition, their scale and their interdisciplinary nature, FET Flagships can only be realised through a long-term and sustained effort at European level, by building on large scale research cooperation across academia and industry and across national research programmes, and by mobilising Europe's best researchers around an ambitious R&D roadmap. Proposals are invited against the following topics: • FETFLAG-01-2018: Preparatory Actions for new FET Flagships (CSA) - two-stage- within one of the following three main areas: ICT and Connected Society; Health and Life Sciences; or Energy, Environment and Climate change. • FETFLAG-02-2018: ERA-NET Cofund for FET Flagships (ERA-NET-Cofund) • FETFLAG-03-2018: FET Flagship on Quantum Technologies (CSA, RIA) **Eligible applicants**: Legal entities established in the EU Member states or an Associated Country to the Horizon 2020 programme. "FET OPEN – Novel Ideas for Radically New Technologies" - H2020-FETOPEN-2018-2020 FET Open aims to establish European leadership in the early exploration of future technologies. It looks for opportunities of long-term benefit for citizens, the economy and society. It aims to mobilise Europe's most creative and forward thinking researchers from all disciplines to work together and explore what may become the leading technology paradigms of the future. Proposals are invited against the following topics: • FETOPEN-01-2018-2019-2020: FET-Open Challenging Current Thinking (RIA) • FETOPEN-02-2018: FET-Open Coordination and Support Actions (CSA) • FETOPEN-03-2018-2019-2020: FET Innovation Launchpad (CSA) **Eligible applicants**: Legal entities established in the EU Member states or an Associated Country to the Horizon 2020 programme. "Fast Track to Innovation (FTI)" – H2020-EIC-FTI-2018-2020 EIC Fast Track to innovation (FTI) is a fully-bottom-up measure in Horizon 2020 promoting close-to-the-market innovation activities that is open to all types of participants. EIC FTI aims to reduce the time from idea to market and to increase the participation in Horizon 2020 of industry, SMEs and first-time industry applicants. Proposals must relate to any field of H2020 under the specific objective "Leadership in enabling and industrial technologies" and/or to any of the specific objectives under the priority "Societal challenge". **Eligible applicants**: Legal entities established in the EU Member states or an Associated Country to the Horizon 2020 programme.
